

EUROFOTOART 2014

European Photography Festival

Every year, on the 9th of May, we celebrate the Europe Day to mark the historical declaration of the French Foreign Minister, Robert Schuman, made on the 9th of May 1950. He presented then an economic cooperation scheme between France and Germany, in order to extinguish the centuries-old rivalry between the two states. In 1985, The European Council in Milan decided that the Europe Day should be celebrated every year, on the 9th of May.

In this context, the "Euro Photo Art Association", in partnership with the European Commission's Representation in Romania, Romanian Cultural Institute and the European Parliament's Information Office in Romania, will organize the sixth edition of the International Exhibition of Photographic Art, under the name of Eurofotoart – 2014. The only International Exhibition of this kind in Europe, it is organized under the Ministry of Culture and is dedicated to celebrating the Europe Day.

This time, the salon will take place in the third edition of European Photography Festival - Romania 2014, organized by the „Euro Photo Art” Oradea, in partnership with the Romanian Cultural Institute, the European Commission Representation in Romania, and Parliament Information Office European in Romania. The festival enjoys the patronage of the Ministry of Culture.
